The health record on Sundhed.dk contains the health data registered about you by the healthcare system. Only doctors at Aleris will be able to access your record, if you give your consent.

I consent to Aleris accessing my medical record on Sundhed.dk ☐

I do not consent to Aleris accessing my medical record on Sundhed.dk ☐

You are entitled at any time to withdraw your consent, in whole or in part. You can do so by contacting Aleris staff. Withdrawal of consent does not affect the lawfulness of any processing carried out prior to the withdrawal.

Your consent is linked to your specific treatment with us. Consent to the exchange of information with your insurance provider or your regional health authority, etc., is valid for a maximum of 1 year.

You can read about the rules on consent and Aleris' processing of personal data at www.aleris.dk.
